That All Important Bathroom.

You have often heard people remark, "If I were ever to build I would plan my bathroom first and would not put all my money into the parlor with all its finery."

That's good common sense sentiment, for the bathroom is the most important of all the household. It's the Mecca of cleanliness, health and refinement, and nowadays many homes are judged by their bathrooms.

We would like to help you plan your bathroom and believe that we could surprise you by putting in a bathroom for you at a much less cost than you might expect and at the same time do it better than you anticipated it could be done for even more money.

We have a booklet "Modern Home Plumbing" which will show you how to arrange your bathroom, kitchen and laundry plumbing with "Standard" Baths and one piece Lavatories, the best plumbing equipment in the world. Call, write or phone for a copy. It is free.

TWO THOUSAND LIVES ARE LOST

**TIDAL WAVE FOLLOWS EARTH
QUAKE AND TOWNS ARE
BLOTTED OUT.**

**2,000 Were Killed by Falling House
or Drowned by the Wave—Whole
Families Have Been Lost.**

Buena Ventura, Colombia, Feb. 26.—The earthquake which occurred at 10:35 o'clock on the morning of the 21st, lasted about seven minutes, the movement being from north to south. The town was considerably shaken. The damage, however, was small, but the people were thrown into a panic kneeling weeping and praying in the streets. All the clocks in the town stopped, while the cables were broken in many places.

Following the earthquake there was a tidal wave, which was of no consequence here, but reports from the coast, including an area of fifty leagues to the south, state that 2,000 were killed by falling houses or drowned by the wave, whole families having been lost.

Sailing vessels report having encountered hundreds of corpses and quantities of dead fish, and many small settlements were completely swept away.

The damage done by the earthquake and tidal wave at Tumaco was greater than here, and few lives were lost. The shock was felt in the interior, and five people were killed at Tumaco.

At Popayan the people restored the tents, and thanksgiving services were held on February 21st and 22d. Twelve distinct shocks were felt, but it is believed that all danger is over now.

Widow Repudiates Name of Mizner

New York, Feb. 26.—Inconceivable among the splendors of her palace Mrs. Charles T. Yerkes-Wilson Mizner Saturday told of her belief that she had been married for her money and of her consequent bitterness of spirit.

Whatever the world might think she said, she would never, never allow herself to be called Mrs. Mizner nor could any possible influence persuade her to take back the man with whom a few weeks of her life had been a fleeting and rudely shattered dream.

But Wilson Mizner told a different story.

Youth's Leg Crushed.

Stockton, Feb. 26.—Ralph Mettler, a twenty-one-year-old boy from Drexel, Mo., was so badly injured while attempting to swing off a freight train last night near the city limits that he is expected to die. His left leg was crushed to a pulp, and he was also injured internally. Mettler was riding on a breakbeam, and failed to clear the track when he jumped from the car. Physicians amputated his leg.

U. S. GUNBOATS RUSHED TO CHINA

**GUNBOATS EL CANEY AND QUIROS
GO TO PROTECT FLEEING
MISSIONARIES.**

**The Boycott Has Greatly Increased
the Anti-Foreign Feeling in
China.**

Manila, Feb. 28.—The battleship Ohio, flagship of the American fleet on the Asiatic station, has sailed for Hongkong, where she will dock and rush repairs so as to be prepared for possible exigencies.

Washington, Feb. 28.—The Navy Department has received a cablegram from Shanghai announcing the departure from there yesterday of the gunboats El Caney and Quiros for Kiukiang, which is near the scene of the reported trouble, which resulted yesterday in the killing of six French Jesuits and two members of an English missionary family.

New York, Feb. 28.—Dr. H. K. Carroll of the Methodist Missionary Society has received from Bishop Bashford at Shanghai a cablegram, as follows:

"James, Charles and families; Lewis, Howe, Ogborn, Kaln, Newboy, Hughes all reached Kiukiang safe. Property burned. Trouble due French Catholic fatal quarrel with magistrate."

The Lewis referred to, Dr. Carroll said, is the Rev. Spencer Lewis, superintendent of the mission, who was evidently on a visit to Nanchang.

Manila, Feb. 28.—A leading American firm in this city has received the following cable from Canton:

"The boycott has greatly encouraged the anti-foreign feeling. Teachers, reformers, agitators and the native newspapers now have the power of that association behind them, causing a remarkable growth in the reform party and secret societies, while the anti-foreign, anti-dynasty Viceroy of Canton, by his autocratic ruling, and his antagonistic attitude to the foreign consuls, encourages the masses of the people in their anti-foreign feeling."

"In the prefecture of Chang Chew near Amoy, recent outrages against foreign church procedure, approved by Peking, has strengthened the revolutionary forces who are now eager to try conclusions with the Government."

"In a portion of China between the Yangtze valley and the Hongkong district, a dangerous anti-foreign feeling exists which is likely to break out at any moment."

The Federal troops here are preparing against the pending outbreak.

A Chicago Alderman Owes His Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peoria St., Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by Campbell Drug Store.

After trying several cures the storekeeper here recommended this remedy and it completely cured me." There is no use of anyone suffering from that painful ailment when this liniment can be obtained for a small sum. One application gives prompt relief and its continued use for a short time will produce a permanent cure. For sale by Campbell Drug Store.

Cleaning The Streets.

H. J. Robinson was at work yesterday cleaning Campbell avenue of surplus matter that has accumulated while the incorporation question was being agitated. Whether this is to back up the roadmaster's contention that the streets can be kept in better condition without incorporation we are not advised, but it is a marked improvement in the appearance of the street. By the way would it not be a wise thing if all of our people would assist in helping the roadmaster keep the streets clean by desisting from throwing envelopes, newspaper wrappers, pieces of paper, barber hair, etc., in the gutters and streets?

And while we are on this subject of keeping the streets of a town clean—which is a great advertisement to outsiders—we refer our readers to the following, which might be adopted with advantage here:

"Not many towns of the same size go ahead of Sheboygan for public spirit," said James J. Hogan of Chicago to a correspondent of the *Milwaukee Sentinel*. "I recently returned from my first visit to the city, and it was a revelation.

"The school children all wear green buttons, and after I had seen several hundred of these about the streets I asked a merchant what they signified. He said that the children had all been banded into a society to keep the city neat and clean. Each child who joins is given a button, and from then on it is his duty to keep the streets and yards cleared of the little bits of paper and other waste material which present such an unsightly appearance.

"The youngsters have entered thoroughly into the spirit of the thing. They have collected more than \$100 by popular subscription, and with this money they are planning to purchase waste paper boxes to be put on the different street corners."

Congregational Church.

The theme for the morning service will be "The Foundation Principle of the Church," a preliminary service for the re-dedication services to be held March 18th. The evening theme will be: "Strong-Weak Men, and Weak-Strong Men." All who have no church home are cordially invited to worship with us.

Where is John Carhart Buried?

Word has been received by Postmaster Hawley from Miss Leonora F. Carhart, of 746 Halsey street, Brooklyn, New York, asking information of the death of her father, John Carhart, reported to have passed away on Feb. 26. Where he is buried, or how, and under what conditions he died, is unknown to the writer. He is said to have lived in San Jose within the past year. No such death has been reported to the City Board of Health.—*Mercury*.

Mr. Carhart has lived off and on in Campbell for several years, and becoming ill during the latter part of February was taken to the County Hospital, where he underwent a surgical operation, which was thought would prove successful, but his advanced age of over 80 years made his recovery the more difficult and he died as stated above. He owned the house and lot in Campbell just this side of the bridge, where for years he has conducted a carpenter shop and where recently he was engaged in experimenting with a patent automatic burying device, which he claimed to have patented. It was a device for lowering the casket into the grave by an automatic arrangement, the dirt being filled in over the casket at the same time, noiselessly. He lived in San Jose for some time, building a house at Delmas avenue and Home street, having on West Santa Clara St. a shop where he manufactured ornamental grave fences.

By direction of Supervisor Roll the remains were given in charge of the Hirsch Undertaking Co. of Santa Clara, the interment being in Oak Hill Cemetery, beside the grave of his deceased daughter, Mrs. Smith.

"Happy Returns."

At the regular meeting of the Woman's Christian Temperance Union, held last Wednesday at the spacious and hospitable home of its President, Mrs. Savage, there were something over forty in attendance. This meeting happened to fall on the birthday of the President, and the occasion proved one of unusual pleasure.

After the routine business was dispatched there was a short, but enjoyable program, the poems read by Mrs. Forbes and Mrs. Savage being especially fine.

Time was then given up to sociability, introducing of strangers and securing subscriptions to the State and National papers. Each feature of which was suc-

cessfully carried out. Later, justice was done to a delicious and abundant repast, followed by toasts appropriate to the occasion, chief of which was an acrostic.

During the years of the President's occupancy of the chair in Campbell Union, its members have discovered various characteristics, and it was claimed that each letter of her name represented some virtue. About a dozen ladies gave expression to these in a most unique and original method, creating much merriment.

Mrs. Savage replied in her usual happy vein, thanking the ladies for their presence, their compliments, and their gifts, hoping the future might hold as "Happy Returns" as this had been, of the birthdays of those who had made her's so bright and beautiful. In closing Mrs. Saddler gave a bright toast in rhyme, and the meeting adjourned to meet in two weeks with Mrs. Stephens on Harrison Ave.

Sea Social.

There will be a sea social at the Congregational church Friday evening, March 16th. The program includes solos by Miss Davis, Dr. Abbott, and Mrs. Luther. Mrs. Shaw will recite, Rev. Atkinson will spin a sea yarn, the Girls' Glee Club will sing.

Mrs. Janes-Merrill has promised to play, and last but not least, there will be appropriate tableaux. The menu consists of oyster pie, fish salads—shrimp, lobster and salmon,—sandwiches and coffee—all for 25c. Come one and all.

The orchard home formerly belonging to H. A. Tibbetts, situated on Latimer avenue, was sold by the Bank of Campbell this week to J. McDonald, of Toronto. After having examined different properties between San Francisco and Los Angeles he decided that this was the best location for climate and natural resources that he had visited.

The Ladies Aid Society of the Methodist church will hold a New England Supper in the parlors of the church on Tuesday evening, March 20th, from 5 to 7 o'clock. Supper 15c. During the afternoon there will be an apron sale.

Attempt to Float the Geo. W. Elder.

Portland, Ore., Feb. 28.—Another attempt is to be made to float the steamer Geo. W. Elder, which struck on a rock in the Columbia over a year ago on her way to Astoria and San Francisco. Yesterday a salvage man, who has been employed by the present owner of the craft, began to unload the remaining cargo, and will then bulkhead the holes in the vessel's bottom. Four powerful steam pumps will be utilized in an effort to exhaust the water. Repeated attempts have been made to raise the craft, which lies with a large jagged rock extending several feet into her hull, and all have met with failure.

Mizner and Mrs. Yerkes Are United.

New York, Feb. 28.—Mrs. Yerkes-Mizner and handsome Wilson Mizner took dinner together at the Hotel Netherlands last night, after which the bridal couple entered an automobile and were driven to the Yerkes mansion on Fifth avenue. And now comes the announcement that the two will go on a semi-honeymoon trip to Chicago, combining business with pleasure.

The dove of peace, which appears to have had a strenuous time while attempting to light on the Yerkes home, appears at last to have found a resting place.

Warning to the Japanese to Stay Away

Honolulu, Feb. 28.—Miki Saite, the Japanese Consulate General, has issued a strong statement to the Japanese laborers of the Hawaiian Islands, advising them against going to the Pacific Coast and warning them that during many months of the year they will find no work there. He says that this, with expensive living, more than counterbalances the offer of larger wages.

He further says that there is much destitution and even starvation among the Japanese who have already gone to the Pacific Coast States.

Train Men Fear Another Slide.

Redding, Feb. 26.—Another landslide is feared on the Southern Pacific just above Delta, where two slides occurred on Tuesday night last, causing the death of two men and blocking the road for two days. Trains creep by the spot with great caution, for the jar of rapidly moving cars might start another slide, which is almost sure to come when another heavy rain falls.

Claims to Have Dual Personality.

Portland, Ore., Feb. 26.—Bissell Thomas, a forger, was committed to the insane asylum Saturday, as experts on insanity declared him to be of unsound mind. Thomas admitted the forgery, but declared that he was a victim of dual personality, and that the offense was committed when he was not his normal self.

Thomas is an attorney, the son of Judge Thomas of Belleville, Ill. He served as a Lieutenant in the Philippines, and after returning to America was an instructor in a military school at San Mateo for a year. In police circles it is claimed that Thomas is a victim of alcoholism rather than insane.

ADMIRAL PAUL JONES

BODY OF HERO TO GO TO LAST RESTING PLACE ON ANNIVERSARY OF VICTORY.

Annapolis, Feb. 28.—Secretary of the Navy Bonaparte, General Horace Porter, Governor Warfield of Maryland and Admiral Sands were in conference yesterday relative to the interment of the remains of Admiral John Paul Jones April 24th, the anniversary of his victory over the British frigate Drake. The body of the great sea fighter will on that date be removed from the temporary vault in which it was placed upon its return to this country, to the handsome memorial hall in the new midshipmen's quarters and not, as had been expected to the crypt of the new chapel as that will not be ready in time for the ceremony. While all the details have not been arranged, the ceremonies of April 24th, which will be held in the Armory of the Naval Academy, will be presided over by Secretary Bonaparte and addresses will be made by President Roosevelt, General Porter, Governor Warfield and the French Ambassador, M. Jusserand. It was decided to make the display a purely naval one except that various patriotic societies throughout the country will be invited to attend and participate.

French Given His Freedom.

Sacramento, Feb. 27.—The jury in the case of Frank French, charged with legislative boodling, brought in a verdict of not guilty after being out thirty minutes yesterday afternoon. The attorneys for the defendant, James B. Devine and Frank D. Ryan, declined to argue the case. By taking this course they shut out District Attorney Seymour from making the closing speech to the jury.

The law provides that the prosecution may close the argument provided the attorneys for the defense answer the opening speech; but if the prisoner is willing to let the case go to the jury on the opening remarks that prevents any further argument.

French, who had seemed to have nerves of steel during the trial, broke down after the verdict had been returned, and tears ran down his cheeks while he was receiving the congratulations of friends in the courtroom.

Candy Poisons Three Children.

New York, Feb. 28.—After eating ten cents worth of candy, colored red, blue and green, and sold to all the children of the neighborhood at ten cents a pound, the three stepchildren of Harry Thompson were taken with violent convulsions. Vivian, the eldest girl, aged 6 years, died in great agony yesterday afternoon and the lives of her brother, Ralph, aged 5, and her three-year-old sister, Viola, are despaired of.

Mrs. Canfield Leaves Estate to Family

Los Angeles, Feb. 28.—A petition for the probate of the will of the late Mrs. Canfield, wife of the California

oil magnate, who was shot and killed at her home here some weeks ago by Morris Buck, has been filed. The will disposes of an estate valued at \$117,881, which is bequeathed to the husband and children of the deceased.

Breaks Into the Postoffice Safe.

San Diego Feb. 27.—The main Post office at this place was entered by robbers last night, and it is believed \$6,000 in money was stolen. At some time between 11:30 last night and 6 o'clock in the morning, the vault was drilled. The discovery was not made till morning. All the stamps in the office were taken, and a demand had to be made on Los Angeles for a new supply. So far as can be learned there is no clue to the perpetrators.

Elephants to the Rescue.

New York, Feb. 27.—Two trolley cars crashed together on Sixth avenue at 42nd street, near the Hippodrome, yesterday and the street traffic was blocked. Four elephants from the Hippodrome were called out, and in five minutes did as much work as a wrecking crew could have accomplished in an hour. One man, with their help, was extricated from a perilous position.

Five Robbers Dynamite Bank Safe.

Bloomington, Ill., Feb. 28.—Five burglars dynamited the Peoples' Bank at Kenny, Ill., early yesterday, securing \$600 in coin, but failing to open the inside safe containing \$5,000. They were observed by servant girls in an adjoining hotel, who were too badly frightened to give the alarm until the burglars had escaped on an Illinois Central train. The bank is owned by Snell & Ingram of Clinton, Ill.

Explorer Starts for Pacific Coast.

New York, Feb. 28.—Captain Mikelsen, the Danish explorer who has been in this city for several weeks preparing for an Arctic expedition which is to leave San Francisco, started for the West last night.
